

THE FUTURE LOOKS GREAT

Participation is one of the keys to the success of any club and if Friday night's swim met at Leongatha is any indication, then SGB is set for a huge season. 99 of our club swimmers showed off their great skills, and with a contingent of 30 excellent Warragul swimmers and their coaches contributing, the standard of the meet was fantastic!

Plenty of P.B's were achieved by our established swimmers and all our novice swimmers gained valuable experience under race conditions. The Orange team, ably led by Eriz Zubcic, Grace Allen, Amelia Downie and Riley Harris were the winners on the night by just two points, but our club was the real winner. We are fortunate to have such a hardworking and experienced committee that enables us to run such an event. And our parent timekeepers and officials worked hard all night to ensure the event's success.

With this experience under their belts, our novice swimmers should be looking towards the 10 and under Encouragement Meet at Churchill on Saturday, August 27th, to further their race skills and experience in a relaxed environment.

Our more experienced swimmers should be looking forward to Country and State Short Course Championships. A number of our swimmers have achieved Qualifying times at the last two Morwell meets and new expect many more to achieve or improve on those times they already have at the Bayside Meet this Sunday at MSAC.

Success is never final,
Failure is never fatal,
But being a part of a team,
is a bond that lasts forever.
