

## SGB Presentation Night Season 2017/2018

SGB recently celebrated the 2017-2018 end of season at the Wonthaggi Workman's Club on June 2<sup>nd</sup>. The club celebrated age group champions, runners up, coaches awards, most improved and club aggregate.

This year, SGB awarded its first life membership. This membership went to Mr Ivan Moore who founded the club. Head coach Dylan Muir paid an emotional tribute to Ivan based on his memories. Ivan was a very experienced and knowledgeable man, who was dedicated in the formation of the club 19 years ago. He then continued as the head coach for many years after that. Ivan now lives in Melbourne and sadly was unable to attend the event.

Matthew Bentley, a talented emerging Gippsland singer and song writer supported the event. Matthew is from Bairnsdale and kindly donated his services for the night to entertain all the swimmers and their families with his John Butler vibe.
