

## 2023 Vic Country Short Course Championships

There aren't too many surprises in swimming. Hard work and dedication generally dictate results. After a great winter training block, our swimmers were showing all the signs that they were ready to go leading into Vic Country Champs and the results showed those signs were correct. Thank you to all the swimmers and families that made the trip to Wangaratta. As always, it was a big 2 days filled with success and all the ups and downs that go with it. With that success came a top 3 Finish at the Vic Country SC Championships for the first time in club history. Team medals will be awarded to all swimmers that competed at our 2024 presentation night.

**3<sup>rd</sup> Place at the Victorian Country Short Course Championships.  
Congratulations SGB.**
