

FEBRUARY 2024

From The President

The year started off with a bang and we are at the height of our competitive season.

As the president of SGB committee I have many roles to ensure the governance and procedures are current and effective for what we need to do. This has been a huge learning curve over the last year that I've been President. To help with this, Gipps Sport and Swimming Victoria have been providing webinars and information sessions to help us along this path. The committee and executive committee over the next few months will be going through our policies and procedures to ensure that they are up-to-date and current to the needs of our ever evolving club. Our goal is to create a process that enables succession of committee members and executives smooth and less daunting as roles change.

GSI All Junior Selection Meet - Sale

The last of the GSI meets on held 17th February before the Gippsland Championships in a few weeks.

53 SGB swimmers lead by coaches Lorri and Sam put forward an impressive performance, with 73% (39) of the swimmers qualifying for the semifinals to be held at MSAC next month.

The Coaches were impressed with how well the swimmers performed, especially the under 8 and 9yr age groups, where it is quite daunting for them to be swimming 50m, some for only the second or third time.

Thank you Gippsland Swimming Inc for giving our swimmers the opportunity to swim at Gippsland only meets, the swimmers love getting together with their competitors/friends from other clubs and the friendships they are making are amazing!

GSI - HOSTED BY WARRAGUL - 10/2/24

Once again the wind provided an added challenge to swimmers. One swimmer commented "I had to swim on an angle to actually swim straight!"

200 Fly, one of the toughest races there is! Well done to Emily (11) and Sienna H (13) for taking this event head on today. They both did an amazing job. Emily is now the 11yr old record holder and is the youngest SGB swimmer to do this crazy event!

Well done to all swimmers today, you worked so well as a team supporting each other. Was fantastic to see some of our adult swimmers in action. Bring on Gippies! Thank you Gippsland Swimming Inc and Warragul Swimming Club for a fantastic meet.

Only one more GSI meet to go to qualify for Gippsland Championships. This meet is also the qualifying meet for the All Junior semi and finals held at MSAC next month.
