

JULY 2025

From the President

I want to share an update on our ongoing search for a coach. We know how important this role is for our club's growth, performance and the experience of every swimmer, and we appreciate your patience as we work through this process. Behind the scenes, the Executive Committee and I have been diligently reviewing applications and interviewing candidates. We've identified several talented coaches, but each time we've paused to ensure they align with our club's unique culture, values and long-term vision.

Over the coming days, you may notice advertisements for the position appearing on our website, social media channels and partner platforms. Rest assured, every candidate will be assessed not only on their technical expertise but also on their ability to engage with our community and uphold our ethos of encouragement, respect and excellence.

We remain committed to finding the right person – someone who will inspire our swimmers, support our families and work collaboratively with volunteers and staff. The Executive Committee is working tirelessly to secure that perfect match. Thank you for your ongoing support, your understanding and your enthusiasm for South Gippsland Bass Swimming Club. We look forward to introducing our new coach soon and continuing our journey together toward success in and out of the pool.

Matt Saario
President
