

JULY 2026

From the President

It has been another positive month for the South Gippsland Bass Swim Club, with strong participation across training sessions and continued support from our dedicated coaches, volunteers, committee members, and families.

Our swimmers have continued to demonstrate commitment and enthusiasm at training and competitions. It is encouraging to see swimmers of all ages developing their skills and supporting one another both in and out of the pool.

A particular highlight this month was our July home meet, where it was fantastic to see so many new club volunteers and officials stepping up to help. The willingness of members and families to become involved is vital to the success of our meets, and it was wonderful to welcome so many new faces into these important roles. Their support helped the event run smoothly and demonstrated the strong community spirit within our club. We encourage everyone interested in volunteering or becoming an official to continue building their skills and confidence, as this strengthens our club for the future.

The committee has continued to focus on the smooth operation of the club, including planning upcoming events, maintaining financial sustainability, and ensuring our programs continue to provide a safe, welcoming, and enjoyable environment for all members.

I would like to thank our coaching team for their ongoing dedication and professionalism, as well as our volunteers who generously give their time at training sessions, race meets, fundraising activities, and behind the scenes. The success of our club depends on your continued support.

Looking ahead, we encourage all members to continue participating in club activities, support upcoming events and fundraising initiatives, and welcome new families to our swimming community.

On behalf of the committee, thank you to everyone who contributes to making the South Gippsland Bass Swim Club a positive and successful club. We look forward to another productive month ahead.
